

FAQ's

Staying Digital

Why is NetApp INSIGHT staying digital?

Our top priority for INSIGHT is engaging with every customer and partner who wants to participate. During this unique time, we took that as a challenge. So here we are pushing boundaries to bring fresh and unexpected experiences and engagement opportunities to the digital event landscape.

What will NetApp INSIGHT 2021 Digital offer?

Get ready for a fully digital, totally immersive virtual experience. INSIGHT 2021 will feature a live visionary keynote address, solution showcase sessions, and technical sessions on all things hybrid cloud. Opportunities to connect? Yep. Breakout sessions? You bet. Fun surprises? Can't say. Holodeck experiences? Not yet.

General Information

- **Americas:** Wednesday, October 20 – 8 a.m. PDT
- **EMEA:** Thursday, October 21 – 10 a.m. CET
- **APAC:** Friday, October 22 – 11 a.m. SGT

Do I need to register for INSIGHT 2021 Digital?

Yes. Registration is open and 99% pain-free (unless you're particularly sensitive to a short form). [Register here](#). Hit a registration snag? [Contact us](#) for help.

What is the fee to attend NetApp INSIGHT 2021 Digital?

Nada. Zero. Zilch. NetApp INSIGHT 2021 Digital is free of charge.

Content

Can I still submit a session proposal for INSIGHT 2021 Digital?

We love your enthusiasm but hold that thought for a different NetApp event or INSIGHT 2022. The call for submissions for INSIGHT 2021 Digital is closed.

What happens at NetApp INSIGHT 2021 Digital?

INSIGHT 2021 Digital is a forum for conversations and learning. Legends of the hybrid cloud take center stage to tell their stories and visions for hybrid cloud evolution. In addition to getting inspired and staying up to speed on industry trends, you can get the technical training needed to hone your specialist chops.

Explore NetApp solutions and offerings with training sessions from our experts and learn how you can build a future-proof business. Join us for:

- Visionary and technical conversations
- Deep dive technology demos
- Opportunities to hear from hybrid cloud legends
- Chances to connect

Oh no, I have a conflict for my must-see session! ... can I watch a recording later?

Breathe easy, we have you covered. INSIGHT 2021 DIGITAL sessions will be available after the event (although NetApp reserves the right to remove or update content).

What are the software requirements for keynotes, sessions, and online interaction?

All you need is a good internet connection. INSIGHT 2021 Digital is entirely web-based, so if you have a computer or tablet and a steady internet connection, then you're good to go. We'll share any important access updates closer to the event.

Sponsors

I'm interested in sponsoring NetApp INSIGHT 2021 Digital. How do I get more information?

You clearly have impeccable taste in events. The NetApp INSIGHT Digital Sponsorship Program will open in mid-August. If you have specific questions or would like a copy of the Sponsorship Prospectus when it becomes available, [contact the NetApp INSIGHT Sponsorship Team](#).
