

Get Certified at the NetApp INSIGHT 2020 Digital Event

NetApp® certification validates the skills and experience that you have with NetApp technologies and solutions. Enhance your career and distinguish yourself by achieving NetApp certification at INSIGHT 2020!

NetApp Learning Services is offering the full suite of NetApp's industry-recognized certification exams and certification exam preparation sessions—at a special discounted price for INSIGHT participants.

REGISTER NOW FOR YOUR DISCOUNTED NETAPP CERTIFICATION EXAM!

If you have been searching for the right opportunity to become NetApp certified, you're in luck. Once you register for INSIGHT 2020, be one of the first 1,500 to register for a NetApp certification exam before October 15th to receive 50% off the cost of your certification exam! Additionally, NetApp is offering an Insight discount of 25% off the certification exam list price throughout the event. Registration for certifications opens in September.

And make sure to join us for our INSIGHT Tech Elite Meet digital event! Hear from NetApp luminaries and enter to win a special INSIGHT Tech Elite Meet award, created to recognize NetApp achievers—like you. Keep an eye on your inbox and the INSIGHT website for upcoming information.

Sign up for the *Get Certified Preparation Sessions* to ensure that you are ready to pass your exam and become NetApp-certified.

MORE INFORMATION

Check out the [NetApp INSIGHT 2020 website](#) for more information about INSIGHT 2020 and to register for certification preparation sessions and exams. For information on certification programs and prerequisites and to access certification materials and resources, visit the [NetApp certification](#) page. For questions about certification exams or about the NetApp Certification Program's free certification offer, email ncp@netapp.com.

FREQUENTLY ASKED QUESTIONS

1. WHAT IS THE INSIGHT 2020 GET-CERTIFIED PROGRAM?

At INSIGHT 2020, NetApp Learning Services offers you the opportunity to earn its industry-recognized certifications by taking any of the NetApp certification exams—at a discount. NetApp Learning Services also offers free certification preparation sessions to help you prepare for the exams.

2. HOW DO I REGISTER FOR MY EXAMS?

First, you must have a Pearson VUE account. **Pearson VUE** is the independent third-party company that NetApp uses to administer NetApp exams. If you do not have a Pearson VUE account, please go to www.pearsonvue.com/netapp and select **Create account**. For support questions about your account please contact **Pearson VUE**.

Before INSIGHT: You can pre-register online for certification exams at a 50% discount (until October 15th OR the cap of 1,500 registrants is met).

During INSIGHT: You can register for certification exams during the event at a 25% discount off list price.

Note: Discounts apply only to ONVUE (online) or Testing Center exams booked between October 15th and November 30th.

3. CAN I RETAKE AN EXAM THAT I FAIL AT A DISCOUNT?

The discount will only apply to your first exam attempt and not to a retake, unless you are able to sign up prior to the discount window closing.

Exam retake policy for passed exams:

- A candidate who passes an exam must wait 18 months before retaking the exam.
- A candidate whose passing score has been revoked must wait 30 days before retaking the exam.

Exam retake policy for failed exams:

- First failure: A candidate can immediately retake the exam.
- Two or more failures: A candidate must wait 14 days before retaking the exam.

4. HOW MUCH DO NETAPP CERTIFICATION EXAMS COST?

NetApp certification exams are \$150 each except for the FlexPod exams which are priced at \$300 each.

5. CAN I USE TRAINING UNITS (TUS) TO PAY FOR CERTIFICATION EXAMS?

TU's cannot be used to pay for certification exams. You can pay for your certification exam using a credit/debit card.

6. CAN I REGISTER FOR MORE THAN ONE EXAM?

You can register for multiple exams. Note that the discounts will apply only to ONVUE (online) or Testing Center exams booked between October 15th and November 30th through the NetApp INSIGHT 2020 website on PearsonVUE.

7. WHEN I REGISTER FOR MY EXAMS, ARE THE DISCOUNTS AUTOMATICALLY CALCULATED?

On the INSIGHT certification exam registration page through [PearsonVUE](#), the exams are initially displayed at full cost. On the check-out page, you will enter your promo code, which is listed on the PVUE INSIGHT page, to apply the discount.

8. HOW SHOULD I PREPARE TO TAKE MY EXAM?

Go to the [NetApp Certification Program](#) website to review the topics of the exams that you are interested in and the recommended preparatory training. Assess your knowledge gap by taking the practice tests that are provided for most exams and complete the recommended training. You can also attend certification preparation sessions while at INSIGHT. Register for the Certification Preparation sessions on the [NetApp INSIGHT 2020 website](#). The preparation sessions cover critical topics and issues that the certification exams include.

9. HOW DO I TEST REMOTELY?

PearsonVUE offers ONVUE remote testing. Be sure to test your network and system for compatibility by following the instructions here: www.pearsonvue.com/netapp/onvue.

10. WHERE DO I FIND OUT MORE ABOUT NETAPP EXAM SECURITY POLICIES?

All NetApp policies, including security policies, can be found on the [NetApp Certification Program Policies](#) page.

11. IF I PASS AN EXAM, HOW CAN I ACCESS MY CERTIFICATE?

You can access your personal information, exam history, certification history, eCertificate, and certification logo by logging in to [CertCenter](#). Information is typically posted to [CertCenter](#) within 48 hours of achieving your certification. If you do not remember your account information, select the **Forgot your password or NETAPP ID?** link on the [CertCenter](#) page. If you are unable to log in, contact ncp@netapp.com.

12. WHERE CAN I GET MORE INFORMATION?

For more information on the INSIGHT event, go to the [NetApp INSIGHT 2020](#) website. The [NetApp Certification Program](#) page includes information on certification programs, recommended training, and prerequisites and provides certification materials and resources, including practice exams. If you have questions, please contact us at ncp@netapp.com.
